Strengths

#ESTUDOEMCASA 

- Active and participative students' learnings
- Continuous upgrades
- Contributions from different entities
- Free access website/resources - anytime, anywhere
- Previous experience in creating resources of this type

W

O

T

S

Weaknesses

O

T

- Lack of technical means > difficulties creating more appealing resources
- Low range diffusion of the project among teachers and students
- No student-teacher interaction
- Restrictions in using free images

S

W

Opportunities

T

- Teacher training
- To build partnerships with different entities in Portugal and overseas
- To create learning communities
- To have students talking to students
- To promote teachers' training

S
W
O
Threats

- Diversity of similar websites
- Low knowledge of the project from the general public
