*Cyril, Cyril, lonely Cyril
Please don't feel alone
Cyril, Cyril, lonely Cyril
Hey, Hi, Hello*

*Cyril, Cyril, lonely Cyril
Please don't feel alone
Cyril, Cyril, lonely Cyril
Hey, Hi, Hello*

The sun shines in the sky
Everybody's feel ok
The family and the picnic
It seems to be a perfect day
But Cyril turned up
And started to cry

*

*Cyril, Cyril, lonely Cyril
Please don't feel alone
Cyril, Cyril, lonely Cyril
Hey, Hi, Hello*

*Cyril, Cyril, lonely Cyril
Please don't feel alone
Cyril, Cyril, lonely Cyril
Hey, Hi, Hello*

No one is happy to see him
No one smiles at him
All he wants is a happy smile
The problem is that they are thinking
"We wish that cloud
Would go away!"

*

*Cyril, Cyril, lonely Cyril
Please don't feel alone
Cyril, Cyril, lonely Cyril
Hey, Hi, Hello*

*Cyril, Cyril, lonely Cyril
Please don't feel alone
Cyril, Cyril, lonely Cyril
Hey, Hi, Hello*

He goes far, far away
Just to see a friendly face
Over farms, rivers and bridges
Above towns and famous cities
and over the ocean
he became bigger and bigger

*

Cyril came to a new land
So hot and so colourful
Slowly across the sky
His shadow cooled the earth
This made Cyril feel so happy
That he cried big tears of joy

*Cyril, Cyril, lonely Cyril
Please don't feel alone
Cyril, Cyril, lonely Cyril
Hey, Hi, Hello*

*Cyril, Cyril, lonely Cyril
Please don't feel alone
Cyril, Cyril, lonely Cyril
Hey, Hi, Hello*

*

Everything seemed to smile
And that was all Cyril ever wanted
To look down on the world
And see a happy smile
See a happy smile

...

(whistling and clapping)

...

A happy smile
Happy smile
Smile

*I have walked down this road you call love
It is hard and it shallows stony ground.
I have built with these hands some great fortune
But my heart, it still beats a hollow sound.*

*Oh yeah, still now my tears remain
With all my dreams embraced...*

*I am told there is peace drawn from wisdom
But no rest, only answers have I found.*

*Oh yeah, still now my tears remain
With all my dreams embraced...*
